## Page 7: State Aid Declaration - Please read this section carefully

In order to minimise distortion of competition the European Commission sets limits on how much assistance can be given without its prior approval to organisations operating in a competitive market.

This Annex sets out what is needed to ensure compliance with those limits. You should note carefully the requirements and the obligations. Under EC Regulation 1407/2013 (the “**De Minimis Aid Regulation**”) as published in the Official Journal of the European Union 24 December 2013, certain of the support provided in relation to the Creative Bridge is a de minimis aid.

There is a ceiling of €200,000 for all de minimis aid provided to any one organisation over a three fiscal year period (i.e. your current fiscal year and previous two fiscal years). Any de minimis aid provided to you under the Creative Bridge will be relevant if you wish to apply, or have applied, for any other de minimis aid. The value of the aid under the Creative Bridge is (or estimated to be by calculating the gross grant equivalent) £5000.

You will need to declare this amount to any other aid awarding body who requests information from you on how much de minimis aid you have received. For the purposes of the De Minimis Aid Regulation, you must retain this document for 10 years from the date on which the aid is granted and produce it on any request by the UK public authorities or the European Commission. You may need to keep this document longer than 10 years.

Please advise the University of Edinburgh now of any other de minimis aid which your enterprise and any enterprises linked to it may have received during your current and previous two fiscal years, to allow the University to check that its support, added to that previously received by you, will not exceed the threshold of €200,000 over the last 3 fiscal years. De Minimis aid includes not only grants but also assistance such as free or subsidised consultancy services, marketing advice, etc. If you are in any doubt about whether previous assistance received is classified as de minimis aid, please include it.

**36. Statement of de minimis aid received.** We confirm that we have received the following de minimis aid during the previous 3 fiscal years (i.e. current fiscal year and the previous two fiscal years). If you have not been in receipt of de minimis aid, please indicate "not applicable" (in the first line only).
